

Mackworth Essentials

400 Floor Lift

The Mackworth Essentials Floor Lift represents the greatest value to the market.

The lift boasts an impressive 400lb (180kg) lifting capacity, powered leg opening and market leading Linak® actuators and motors. It truly represents real value for money in its class.

The reduction in cost is achieved by only including “essential” components and features to reduce manufacturing complexity without compromising on quality.

The Mackworth Essentials floor lift benefits from the same rigorous ergonomic design procedures and quality checks as our other trusted Mackworth products and are constructed from high quality powder coated steel that will provide years of reliable service.

Features & Benefits

- Cost effective solution without compromising on quality
- 400lb (180kg) safe working load
